

Weak Women!

Some women are weak because of ills that are common

In Girlhood—Womanhood and Motherhood

The prescription which Dr. R. V. Pierce used most successfully—in diseases of women—which has stood the test of nearly half a century—is

Dr. Pierce's Favorite Prescription

Take this in liquid or tablet form as a tonic and regulator!

Mrs. Kate D. Richardson, of Beasley, Essex Co., Va., says, "I esteem it a pleasure to testify to the wonderful curative qualities of Dr. Pierce's Favorite Prescription. For some years I suffered greatly with weakness peculiar to my sex. I was treated by several physicians but gradually grew worse. One of my friends told me of the good results of your 'Favorite Prescription.' I went to the drug store and got a bottle, and after taking it, with the 'Pleasant Pellets,' I commenced to get better. I never knew what happiness was, for I was always sick and complaining and made others as well as myself unhappy. So you see what a debt I owe you!"

"DRY" TERRITORY IS NOT AFFECTED BY VOTE.

If the "wets" win in the local option election to be held in September the county outside of the city limits will remain "dry" and the licensed sale of liquor in Paris will continue.

If the "drys" win, the whole county will go "dry" and the licensed sale of liquor in Paris will be discontinued.

Many persons have asked whether the present dry precincts in the county would be effected should the county-wide vote be "wet" at the September election. It seems, after reading the statute on the question, that there can be no doubt in the matter. The statute says that territory now "dry" shall not be effected, should the county go "wet."

Section 2560, Kentucky statutes, provides, in part, that "when an election is held in an entire county, and a majority of the legal votes cast at said election are against the sale, barter or loan of spirituous, vinous, malt or other intoxicating liquor, then it shall not be lawful to sell, barter or loan any such liquor in any portion of the county."

If at such an election for the entire county the majority of the legal votes cast are in favor of the sale, barter of any such liquor, such an election shall not operate to make it legal to grant license to sell, barter or loan such liquors in any territorial division of such county from which the sale, barter or loan has been excluded by an election held under this article or by special act, but the status of such territorial division shall remain as if no election had been held.

COUNCILMEN EXPELLED.

Another chapter was written in the Georgetown councilmanic "drama" when two of the "dry" members, J. W. Thacker and Leonard J. Hambrick, were ousted from the board.

The former was accused of selling to the city \$2.10 worth of groceries since holding office, and the latter of renting to the city a sprinkling wagon by which the streets have been oiled. Thacker made no defense, and Hambrick pleaded "not guilty."

Thacker had brought charges of contracting with city against three of the "wet" Councilmen, Lewis Sublett, James Fluke and James Dunn, and a vote upon their expulsion has been held up pending the decision of the Court of Appeals. John S. Gaines was appointed to fill Thacker's unexpired term. Hambrick's successor has not been named.

On account of the differences between the two factions in the Council the pay-roll for June has been held up. On a charge of contempt of court each of the four "dry" Councilmen was fined \$2 by Mayor Stone, and \$10 was assessed against Mr. Hambrick because of the alleged violent nature of the address made before the Council after the expulsion.

NO JURISDICTION IN CONCEALED WEAPON CASES

Police Judges and Magistrates have no jurisdiction to try persons charged with carrying concealed and deadly weapons, under the act of 1914, in the opinion of Assistant Attorney General M. M. Logan. This act adds to the penalty for the first conviction disfranchisement for two years, and he believes that in keeping with its line of decisions the Court of Appeals would hold that this added penalty would deprive the Magistrates of the power to try such cases. County Judge, under another act of 1914 have jurisdiction in all misdemeanor cases, and if this act is constitutional Mr. Logan said they will have jurisdiction to try cases of carrying concealed weapons.

ONE WAY TO KEEP "COOL."

A certain gentleman decided he would cool the atmosphere around his abode the other day by throwing cold water on the thermometer. To his great surprise it went from ninety to eighty and he took his seat upon the lawn and enjoyed the coolness, and from that time when he begins to feel the heat he immediately gives the thermometer another bath. Another good way is to keep the temperature indicator in the refrigerator.—Winchester Democrat.

LEXINGTON BANKS ASK LOAN OF \$500,000.

The national banks of Lexington have sent a request to Secretary of the Treasury McAdoo for a loan of \$500,000 to aid in moving the crops of Central Kentucky. This was in response to a notice issued a month ago that the Government would again consider such loans. Last year Lexington borrowed \$375,000. The increased amount is asked now because of the prospects for larger crops.

Talbott and Circuit Clerk Wm. H. Webb. The men were Geo. McFey, white, given an indeterminate sentence of from two to two and one-half years for safe-breaking; Dan Chinn, colored, one year for obtaining goods under false pretenses.

WOMAN WOULD NOT GIVE UP

Though Sick and Suffering; At Last Found Help in Lydia E. Pinkham's Vegetable Compound.

Richmond, Pa. — "When I started taking Lydia E. Pinkham's Vegetable Compound I was in a dreadfully rundown state of health, had internal troubles, and was so extremely nervous and prostrated that if I had given in to my feelings I would have been in bed. As it was I had hardly strength at times to be on my feet and what I did do was by a great effort. I could not sleep at night and of course felt very bad in the morning, and had a steady headache."

"After taking the second bottle I noticed that the headache was not so bad, I rested better, and my nerves were stronger. I continued its use until it made a new woman of me, and now I can hardly realize that I am able to do so much as I do. Whenever I know any woman in need of a good medicine I highly praise Lydia E. Pinkham's Vegetable Compound." — Mrs. FRANK CLARK, 3146 N. Tulip St., Richmond, Pa.

Women Have Been Telling Women for forty years how Lydia E. Pinkham's Vegetable Compound has restored their health when suffering with female ills. This accounts for the enormous demand for it from coast to coast. If you are troubled with any ailment peculiar to women why don't you try Lydia E. Pinkham's Vegetable Compound? It will pay you to do so. Lydia E. Pinkham Medicine Co., Lynn, Mass.
